Subject: Results of the CIC on Structural Safety and Load Lines (Paris MOU)

Please see the attached which is the press release of the results of the Concentrated Inspection Campaign (CIC) on **Structural Safety and the International Convention on Load Lines** that was carried out in the Paris MOU region from 1-September-2011 to 30-November- 2011.

Ship owners/managers/operators are to ensure that the commonly found deficiencies as mentioned are verified onboard and that their vessels are in good order.

Please be guided accordingly.
