Date : 11 August 2014

Ref : CIR 14/003

Subject: **New Amendments to ISM code in Resolution MSC.353(92)**

The following guidelines have been added as footnotes to the existing paragraph (section 6.2).

- **para 6.2** – The company should ensure that the ship is:  
6.2.1 – manned with qualified, certificated and medically fit seafarers in accordance with National International requirements; and  
6.2.2 – appropriately manned in order to encompass all aspects of maintaining safe operations on board.

*and the new amendments to ISM Code*

- **para 12.2** – Regarding verification of work methods on board:  
12.2 – The company should periodically verify whether all those undertaking delegated ISM related tasks are acting in conformity with the company's responsibilities under the Code.

Do take note and be prepared accordingly.
